Rangel

Feel
Your Dream
with **Rangel** Tiles

Add Some Colors to the room to really make it yours

Rangel is the art of painting with colors on clay. The seven-colored handmade tile is the narrator of centuries of originality. Long-lasting art, which has entered modern architecture from the depths of history by Rangel team to perpetuate your personal role in the modern life atmosphere. The seven-colored tiles are so detailed and durable in the manufacturing process that after all these years, they have reached us to color your interior decoration by originality and freshness. This tile, in the manufacturing process, withstands the fire of the furnace three times so that it can tell the story of your choice and taste after dust of years. Human is the center of modern art and we borrowed the identity and durability from the doors and walls of Iranian architecture. This fine art is the narrator of our personal story which is depicted piece by piece on tiles. You can renovate your entire work and life space by entrusting to Rangel company for small change. Ordering a special accessory, designing a corner with handmade tiles or a frame in the workplace to narrate your brand will perpetuate your desired design on the wall of this homogenous and anonymous world.

"رنگل" رنگ:

"رنگل هنر نقش زدن با رنگ ها بر گِل است."

کاشی دست ساز هفت رنگ راوی قرن ها اصالت است. هنر ماندگاری که به دست تیم رنگل از دل تاریخ به معماری مدرن راه یافته تا نقش شخصی شما را بر فضای زندگی مدرن ماندگار کند. کاشی های هفت رنگ آن قدر در فرآیند ساخت دقیق و مقاوم بوده که پس از این همه سال به دست ما رسیده تا به دکوراسیون داخلی شما رنگ اصالت و تازگی بزنیم. این کاشی در فرآیند ساخت سه بار آتش کوره را تاب می آورد تا از پس غبار سال ها قصه گوی انتخاب و سلیقه شما باشد. انسان محور هنر مدرن است و ما هویت و دوام را از در و دیوار معماری ایرانی وام گرفتیم تا با فراهم کردن امکان شخصی سازی، کاشی به کاشی و قطعه به قطعه راوی داستان یکپارچه شما بر سازه ها باشیم. شما می توانید با سپردن ایجاد تغییری کوچک به شرکت رنگل، فضای کار و زندگی خود را تحت تاثیر قرار دهید. سفارش یک اکسسوری خاص، طراحی کنجی از خانه با کاشی های دست ساز یا قابی در محیط کار که راوی برند شماست، نقش شما را بر در و دیوار این دنیای هم شکل و بی هویت ماندگار خواهد کرد.

RANGEL

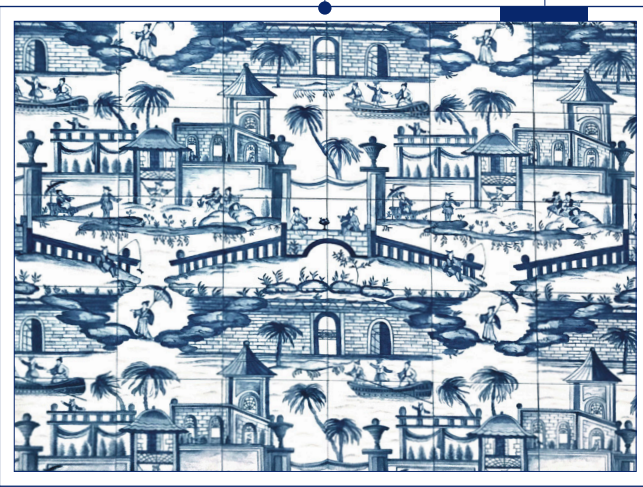

Japanese Delft Tiles

These endless details are inspired by a Japanese temple. This design was made for a boutique bathroom to calm your mind and bring on relaxing vibes.
